Loveless nights of bourbon  
Shots and long pours  
Of Pinot Grigio. Loveless  
Nights of too many antacids  
And cheap Chinese food.

What I hate most about  
Parking your car in this  
Sketchy neighborhood is not  
The late night unescorted  
Walks down wrong streets  
But the blaring '70s rock  
Station that always  
Startles no matter how  
Prepared the blown-out  
Speakers or my ears.

One with an Ivy  
League graduate class  
Of three students.
